

Dear Valued Guest,

It would be our pleasure to welcome you to stay with us while you're visiting the Mining City. With our commitment to providing WOW service and making each guest feel welcomed, when you stay with us at the Comfort Inn of Butte, you can rest assured that each and every employee has your comfort and satisfaction at the top of their minds.

For your convenience, our website is chock full of information about Butte and the surrounding area. In addition the [Montana Office of Tourism](#) and [Montana's Gold West Country](#) have even more extensive information about Butte and southwest Montana. Whatever reason your travels bring you to Butte, you're sure to be impressed with our city's can-do spirit and unique flavor.

At the Comfort Inn of Butte we make it our mission to provide you with the finest guest experience in Butte. Our experienced staff is ready and willing to help make your visit memorable and worry-free.

From our Suite Dreams pillow top beds to our expansive offerings on our Your Morning™ Breakfast, to our extensive eco-conscious efforts to reduce waste and recycle as much as possible, we greet every day with the goal to exceed our guests' expectations!

As part of our pledge to our guests, if there is something you experience during your stay that you *couldn't* rate a 10 out of 10, please contact a staff member so that we may immediately take corrective measures and meet our goal of 100% guest satisfaction!

Sincerely,
